I know your needs.

I have the experience.

I have the knowledge to protect and enhance your retirement.

Working for you, I served on LACERA's Board of Retirement for **31 years**, and Board of Investments for 21years.

I helped thousands of you get your disability retirements. I helped keep your benefits safe.

When you needed help, I helped you choose retirement plans. I urged you to return to Plan D from Plan E so that you would have a decent retirement with a COLA benefit.

Now, help me continue to help you--as your retired member on the Board.

In this time of take-aways and cost cutting, I will guard your pension and health care benefits as I have done for 31 years! EXPERIENCE and knowing the system counts!!!
