

**STATEMENT OF CHARLES CHIAO LIN**  
**CANDIDATE FOR THIRD MEMBER,**  
**BOARD OF INVESTMENTS**

Age: 64

Occupation: Eligibility Worker

I seek your vote for election to the LACERA Board of Investment. My knowledge and experience in High Technology and Semiconductor should help to establish a balanced portfolio of investment for LACERA.

I have a master's degree in Chemical Engineering and had work in semiconductor field for about 20 years. I have first hand knowledge about the high tech field and wish to make good use of it. I moved to LA and joined LA County only to be close to my elder mother.

I believe in fairness and will always exercise good judgment to protect the employee's and LACERA's property.

Please trust and vote for me. I will not let you down.
