11.

**REVISE:**

**Feasibility Study on Discontinuing Collection of Outstanding Juvenile Detention Fees**

**Revised** recommendation as submitted by Supervisors Solis and Hahn: Instruct the Chief Probation Officer, with the Chief Executive Officer, Auditor-Controller, County Counsel and other relevant Departments, to report back to the Board in 180 days with a list of all existing fees collected by ~~the Probation Department or other relevant Departments on adults and youth~~ any County Departments for Probation supervision or services for adult or youth populations; and provide a feasibility study and report back to the Board in 90 days on the following:

Whether legal authority exists to discontinue collection or acceptance of payment of ~~pre-2009~~ juvenile detention fees incurred before 2009;

Whether administrative or fiscal issues exist related to the discontinuation of the pre-2009 juvenile detention fees; and

A proposed plan to discontinue the collection of pre-2009 juvenile detention fees including, but not limited to, the necessary legal process required to formalize the discontinuation of the pre-2009 juvenile detention fees, establishing a protocol to notify families of the intent to ~~discontinue the collection or acceptance of payment of pre-2009~~ that juvenile detention fees will no longer be collected or accepted, and the necessary timing and costs to the County for the discontinuation of pre-2009 juvenile detention fees and a sampling of fees collected between 2009-2017 to determine whether the fees were appropriately collected.

**SUPPLEMENTAL AGENDA**

**58-A. Addressing Gaps and Disparities to Help Reduce the STD Rates in Los Angeles County**

Recommendation as submitted by Supervisors Solis and Kuehl: Direct the Chief Executive Officer, in partnership with the Director of Public Health, to develop and implement a legislative and budget advocacy plan that strives to increase State and Federal funding for STD control efforts; and instruct the Director of Public Health to convene a meeting with the Presidents/Chief Executive Officers of large hospitals and health plans operating in the County to develop an ongoing revenue generating plan and commitment to finance expanded STD control efforts targeted to communities of color as well as gay and bisexual men and transgender persons; work with local health plans to adopt policies that allow for the reimbursement of STD-related services provided outside of the medical homes and currently delivered by or through the public sector; implement strategies to expand current community-based STD screening capacity; pilot and evaluate innovative, high-volume, technology-friendly STD screening and treatment models in high impact geographic areas of the County; expand the STD screening and treatment capacity of Department of Public Health STD clinics and expand the STD screening and treatment volume of Department of Health Services-operated health care delivery sites; and report back to the Board within 90 days on progress toward implementing these directives. (Relates to Agenda No. 34) (18-2778)
