

**STATEMENT OF JASON E. GREEN
CANDIDATE FOR SEVENTH MEMBER AND ALTERNATE
SAFETY MEMBER, BOARD OF RETIREMENT**

Age: 50

Occupation: Fire Captain

Fellow Safety Members.

I am seeking your vote so I may be **your** advocate, and represent you on the LACERA Board of retirement.

I have been a LACERA Safety member for almost 22 years. I have worked throughout the County in most rank-and-file positions within the fire department. For the last 3.5 years I have had the honor of representing membership as an elected Local 1014 Board member, advocating both at local 1014 and the County Coalition of Unions. I am a fighter, and I have demonstrated integrity, with a strong work ethic; choosing the difficult right, over the easy wrong. I will bring this with me as a trustee and be responsible to all LACERA members.

Our pension system has been increasingly under attack, jeopardizing the historic stability of our pension plan. From the Public Employees' Pension Reform Act, to challenging the "California rule" in the courts. As your trustee, I will ensure that these attacks are met head on and beat back, to maintain a solid and stable fund to ensure our retirement security into the future.

If you have any questions about my candidacy, please call me at 805-798-3580.

Thank you.

Jason E. Green
