An "Activity Expense" is any expense incurred or payment made by a lobbyist employer which benefits in whole or in part any County official or member of the immediate family of a County official, regardless of whether the expense or payment is reimbursed to the person on whose behalf the County lobbying services are performed. Activity expenses include gifts, honoraria, consulting fees, salaries, and any other form of compensation.

A "County Official" is any member of the Board of Supervisors, the Sheriff, the Assessor, the District Attorney, a County Commissioner, and any other County officer or employee whose duties are not clerical or manual.

A "Gift" shall be defined as set forth in the Political Reform Act, Government Code Section 81000 et seq. and the regulations adopted thereunder; except that the exclusion for campaign contributions shall be defined and governed as set forth in Chapter 2.160 of the Los Angeles County Code.

You must itemize all "Activity Expenses" arranged, incurred or paid by you, and you must report activity expenses during the period in which they occurred regardless of whether they were actually paid during the period.

Report all other payments you made in connection with your attempts to influence official County action. Such payments would include payments in support of your lobbyist (but not made directly to the lobbyist), such as the payment of a credit card charge for activity expenses which have been reported by the lobbyist; payments for office overhead and operating expenses; payment to expert witnesses; and compensation paid to employees (other than lobbyists) who spend 10 percent or more of their compensated time in a calendar month in connection with lobbying activities. A "campaign contribution" means a payment, a forgiveness of a loan, a payment of a loan by a third party, or an enforceable promise to make a payment except to the extent that full and adequate consideration is received, unless it is clear from the surrounding circumstances that it is not made for political purposes. An expenditure made at the behest of a candidate, committee or elected County official is a contribution to the candidate, committee or elected County official unless full and adequate consideration is received for making the expenditure. The term "campaign contribution" includes the purchase of tickets for events such as dinners, luncheons, rallies, and similar fund raising events; the granting of discounts or rebates not extended to the public generally or the granting of discounts or rebates by television and radio stations and newspapers not extended on an equal basis to all candidates for the same office; the payment of compensation by any person for the personal services or expenses of any other person if such services are rendered or expenses incurred on behalf of a candidate or committee without payment of full and adequate consideration. The term "campaign contributions" further includes any transfer of anything of value received by a committee from another committee unless full and adequate consideration is received.

The term "campaign contribution" does not include:

1. Amount received pursuant to an enforceable promise to the extent such amounts have been previously reported as a contribution;
2. A payment made by an occupant of a home or office for costs related to any meeting or fund raising event held in the occupant's home or office if the costs for the meeting or fund raising event are five hundred dollars (\$500) or less; or
