

**STATEMENT OF NORMAN JOHNSON  
CANDIDATE FOR EIGHTH MEMBER,  
BOARD OF INVESTMENTS**

Age: 77

Occupation: Supervising Deputy Probation Officer (Retired)

It's time for change. Retirees need **capable** and **ethical** representation on the LACERA Board of Investments. We earned our pension and we deserve retirement security. We also deserve a board that reflects its membership.

I have 20 years' experience as a **Financial Planner** in addition to 37 years of service as a Los Angeles County **Supervising Probation Officer**. I am committed to **protecting** our pension and **representing** County retirees during these difficult times, and any that may come.

**EXPERIENCE:**

- Executive Director Probation Supervisors Association (Current)
- Financial Planner Travelers Insurance (20 Years)
- President A Phillip Randolph Institute, LA Chapter
- Member SEIU Board of Directors
- Treasurer SEIU Local 660
- President Supervising Deputy Probation Association
- COPE Chair Local 660
- Lavender Committee Chair Local 660
- Treasurer Creekside H/O Association

As a union member and Executive Board Member of SEIU Local 660/721, I worked to increase our pay and benefits. With your vote, I will work just as hard to protect the investment we have made into our future – our assets. I ask for your **vote, confidence, and trust**. Thank you.
