

**STATEMENT OF JOSEPH KELLY
CANDIDATE FOR EIGHTH MEMBER,
BOARD OF INVESTMENTS**

As the retired Los Angeles County Treasurer-Tax Collector/Public Administrator (TTC/PA), I am experienced, capable, and committed. I have 35 years of professional work experience in finance, in both the private and public sector. At the County, I worked for the Auditor-Controller before joining the executive management team at the Treasurer-Tax Collector. The Board of Supervisors appointed me TTC/PA in 2014, a position from which I retired in 2019. As County Treasurer, I served five years as the ex-officio trustee on the Board of Investments and Board of Retirement, and I was elected to leadership positions on each board and chaired the Audit Committee for three years. I possess an excellent understanding of investments and financial markets and am known for my admirable work ethic and commitment to transparency in board deliberations. I was always mindful of a board member's legal responsibilities to act in the best interest of retirees, and I demonstrated an unwavering commitment to the benefit promised to retirees. Respectfully, I ask for your vote.
