AGENDA

In accordance with the Brown Act, all matters to be acted on by the Board must be posted at least 72 hours prior to the Board meeting. In cases of an emergency, or when a subject matter needs immediate action or comes to the attention of the Board subsequent to the agenda being posted, upon making certain findings, the Board may act on an item that was not on the posted agenda.

The majority of the Board's Tuesday agenda is a consent calendar. All matters included on the consent calendar (including Board of Supervisors items and Administrative Matters) may be approved by one motion unless held by a Board Member for discussion. Following the Invocation and Pledge of Allegiance, the Executive Officer will indicate which items have been requested to be held for discussion or continued to a future meeting, and the remaining items will be approved. Items which are set for a time certain may or may not be called up at exactly the time indicated, depending on the business of the Board. The items that are held for discussion may be taken up at any time, depending on the business of the Board. Each item includes a brief summary of the Board member’s motion or department’s recommended action, and in some instances, a corresponding recommendation from the Chief Executive Officer, indicated in capital letters.

Included at the end of each agenda are items which have been continued from previous meetings for further discussion and action by the Board. This portion of the agenda is commonly referred to as the "A-item Agenda". At the request of a Supervisor, the A-items may be called up for consideration at any time.
