

STATEMENT OF KEITH A. BLYE
CANDIDATE FOR THIRD MEMBER,
BOARD OF INVESTMENTS

Age: 52

Occupation: Supervising Children's Social Worker, Los Angeles County
Department of Children and Family Services.

As County workers, we live a life of service and we're promised pensions when we retire.

Unfortunately, legislative efforts and reform measures threaten our hard earned public sector pensions. My top priority will be protecting our retirement from attacks!

I'll focus on growing and managing our over **\$50** billion fund through a diversified portfolio, sound decision-making, prudent risk analysis and keeping investment costs low. Our families deserve guaranteed, secured, lifetime retirement benefits that are never reduced, eliminated nor jeopardized by lawmakers.

My integrity, education and experience qualify me as a strong candidate to vigorously defend our assets.

Over 20 years DCFS experience partnering with **Sheriff, DPSS, Probation** etc., to protect vulnerable children, advocate for parents, and secure funding and financing for youth.

I have 15 years as a licensed real estate agent negotiating investments, sales and financing.

I served 6 years in the **United States Marine Corps**, including combat in Operations Desert Storm and Desert Shield - awarded the Navy Achievement Medal.

I have a bachelor's degree from CSULA and a master's degree from USC.

I, **Keith A. Blye**, humbly request your vote to elect me to the Board of Investments.
