

**STATEMENT OF LESLIE LES ROBBINS
CANDIDATE FOR EIGHTH MEMBER,
BOARD OF RETIREMENT**

Age: 71

Occupation: Retired

I am running for re-election for the Retiree Seat on the Board of Retirement. This is my fourth decade as a member of the Board of Retirement, entering my 24th year as a Trustee at LACERA. During my time as a trustee I have acquired a great deal of knowledge about LACERA and the laws that govern our pension system here in Los Angeles County. As the retiree representative I am committed to acting as a responsible fiduciary at all times protecting the benefits and programs that LACERA has that provide for the quality of life that all retirees deserve and have earned.

LACERA has a reputation of being one of the premier public pension plans anywhere in the country and if I am re-elected to the LACERA Board of Retirement I am totally committed to seeing to it that our reputation continues. I promise that I will do all within my power to see to it that LACERA continues to provide the promised benefits for all of our members.
