SUPPLEMENTAL AGENDA

58-A. Evaluation of Los Angeles County's Workforce Alignment Efforts

Recommendation as submitted by Supervisors Solis and Kuehl: Direct the Chief Executive Officer, in coordination with the Director of Workforce Development, Aging and Community Services to identify, engage and hire a consultant within 30 days to:

Study and evaluate the progress of the activities, tasks and strategies laid out in the Countywide Workforce Development Alignment Plan (Plan) by engaging the Departments of Workforce Development, Aging and Community Services (WDACS), Public Social Services (DPSS), Probation and Military and Veterans Affairs (MVA), the Los Angeles County Office of Education (LACOE) and any other relevant Departments, to include activities, tasks and strategies, as identified in the Plan, but not be limited to the following:

The development of common performance measures and tracking mechanisms;

The establishment of Memoranda of Understanding (MOUs), to the extent allowed by law, for sharing client data between WDACS, DPSS, Probation, MVA, LACOE and any other relevant Departments and evaluate the effectiveness and efficiency of MOUs as the best method for collecting, coordinating, analyzing and utilizing data for the long-term vision of improving the impact of the County's workforce development services;

Alignment and integration of services at America's Job Centers of California;

WDACS comprehensive assessment of the County's workforce development trainings and programs; and

Population-specific workforce development strategies as implemented across the County Departments;

Develop and propose a set of recommendations with corresponding timelines for the County's workforce alignment efforts and based on the evaluation findings, the recommendations should include, but not be limited to, the following:

The type(s) of technical assistance and training needed for the relevant Departments to meet goals and objectives of the County's workforce alignment efforts;

Solutions to the existing data system(s) and/or alternative models for linking data across the Departments (for example, the Central Repository Model, the Federated Model, etc.), to the extent allowed by law, through engagement with all relevant Departments, including the Chief Information Officer; and

A final recommendation for the specialized unit, which was established through the Board approved July 25, 2017 motion entitled, "Implementation of County Workforce Development Plan," and should include an assessment of the effectiveness of such a unit to carry out the alignment, coordination and integration of workforce development, programs and services across County Departments, including recommendations of alternative structures through which the County could successfully align and carry out its workforce development services; and

Submit a report on successful workforce development and job training programs in other local or comparable jurisdictions, with specific emphasis on programs that have shown success in identifying, preparing and placing Targeted Workers into jobs, over the long term, and the consultant should use the definition of Targeted Workers included in the Board's Local and Targeted Worker Hire Policy;

Direct the Chief Executive Officer and the Director of WDACS to report back to the Board in writing within 30 days outlining the progress

that has been made to date on the Plan, the consultant engaged and details on the specific activities the consultant will be responsible for, including an estimate of the funding needed to acquire and retain the consulting firm and a related funding request, if appropriate, in the Fiscal Year 2018-19 Final Changes Budget; and

Also, direct the Chief Executive Officer to report back to the Board in writing within 120 days on the consultant's findings and recommendations. (18-2323)
