

STATEMENT OF CHARLES CHIAO LIN
CANDIDATE FOR THIRD MEMBER,
BOARD OF RETIREMENT

Age: 64

Occupation: Eligibility Worker

I seek your vote for election to the LACERA Board of Retirement. In the last few years, I had been with Department of Public Social Service (DPSS). More specifically, I was at District 80, Long Term Care District.

I had worked with many senior citizens and their MediCal needs. It also came to me that we are fortunate to have LACERA to provide financial backing/pension after retirement. This is a luxury in today's world.

So how should we treasure and protect this luxury? By treating everyone fairly and provide the service that members need, and by always exercise good judgment to protect the employee's and LACERA's property.

Please trust and vote for me. I will not let you down.
